LOCATION AND PLACEMENT

Through the Memorial Park Bench, Picnic Table, and Tree Program, friends and relatives can provide a unique dedication to individuals, families or organizations by creating a loving tribute in one of Santee's beautiful parks. People of all ages visit our parks on a daily basis for trails, sports fields, playgrounds, special events, and various other activities. By sharing your contribution with the community, your investment will support local recreational opportunities while enhancing Santee's natural landscapes.

All memorial park benches, picnic tables and trees will serve the City of Santee and recognize our history with pride. Designated legacy spaces are available for memorial placement and your selection is certain to be a welcome and valuable contribution to the community. The city of Santee would like to thank you for considering this heartfelt dedication.
