DIRECTOR/DEPARTMENT Marlene Best, City Manager

SUMMARY

The Proposed Five-Year Capital Improvement Program (CIP) Budget for Fiscal Years 2017-18 through 2021-22 will be presented to the City Council for initial review and discussion. The proposed CIP budget will be included on the June 14, 2017 City Council meeting agenda to provide an opportunity for additional discussion, and will be brought back to the City Council for adoption on June 21, 2017.

The purpose of the CIP is to provide a multi-year planning tool for the infrastructure and other capital needs of the community, and to coordinate the scheduling and financing of projects. Emphasis has been placed on the first two years, which upon City Council action will become the adopted capital project budget. Once adopted, the CIP is continually monitored to ensure funding sources are available as projected and is revised bi-annually in response to continually evolving priorities and economic conditions.

The budget document will be distributed separately in advance of the May 24, 2017 City Council budget review session.
