## SUBMITTAL REQUIREMENTS

The following items must be submitted:

1. Completed and signed application form (original signatures required).
2. Proof of approval of sign by property owner or agent.
3. Application fee.
4. Five sets of plans (two sets if no Building Permit is required) that show the following:
  - a. Site Plan, drawn to scale, depicting all structures, streets, driveways, sidewalks, parking areas, and landscaping; and also showing:
    - (i) For proposed freestanding sign(s): Sign location(s) on property and dimensioned relation to property line, nearest curb, adjacent driveway, or other objects to clarify exact location.
    - (ii) Building frontages, dimensioned, (wall signs only).
  - b. Elevations showing design, dimensions, colors, and materials proposed. The location of the wall signs on the building, type of illumination, section(s), and colors and materials proposed (sample colors and materials may also be required).
  - c. On the elevation(s), dimension the length (in feet) of the business' frontage.
  - d. On the sign details, note the dimensions of the sign in feet and inches and place a note adjacent to each sign that specifies the area of the sign in square feet.
  - e. If a Building Permit is required, the plans shall show structural details, attachment points, electrical details (if any), and footings (freestanding signs).
5. Any additional information deemed necessary by the Director.

Note: A Comprehensive Sign Program is required for all new commercial centers and industrial centers consisting of ten or more tenant spaces.
