

PROJECT DESCRIPTION

Requesting a change from a TK-8th daycare facility use to a preschool/elementary TK-6th operation. The proposed number of students is 120 and the number of staff is 11. The existing number of students is 110 and the number of staff is 11. The proposed hours of operation are from 8:30am-3pm while the staff start to end times are from 8am-4pm, the same as the existing hours of operation. The proposed outdoor play areas are to remain the same and will be open from 8:30am to 3pm. The proposed on-site drop-off/pick-up activities and the outdoor play areas are planned to remain the same as the current operation. The current operation includes a drop off period from 8:15 am to 8:45 am. Parents either park and walk their children to the gate or drive through the lot during drop-off. Learning Assistants conduct the car line in the morning. For afternoon pick-up, the period lasts from 2:40 pm until 3:00 pm. Parents either park and walk to collect their children from the teacher or they drive through our lot for pick up. Teachers conduct car line in the afternoon. There is no daycare center to consider.
