Augie Scalzitti, Councilmember, District 4

I will ensure financial accountability without sacrificing city services. The responsibility of a Councilmember is to make sure the City is run in a cost-effective manner with the best interest of the Santee citizens as the priority. I will strive to be an effective public representative that listens and reacts to the concerns of citizens.

I will strive to preserve parks and open space as a community treasure for all to enjoy. I believe more houses in Santee will lead to more traffic, which is not good for our City. I won't cater to, or be bought by developers. I will fight against any and all new City taxes. I will fight against unnecessary developments including those with 3-story units. I've been a local business owner for more than 20 years. I've raised my family in Santee and will work hard to preserve it's "home-town" values.

I have more than 20 years of experience as an elected public servant including Board President of the Padre Dam Municipal Water District; Chairman of the San Diego Area Wastewater Management District; Metro Waste Water Commission; and LAFCO Special Districts Advisory Committee. My experience will be beneficial to Santee's future. Augie: 619-244-5011
